* Exams are available at both public and private sessions. To schedule, please contact WQA Education Department at 630 505 0160, or go to Upcoming Exams in the Certification/Education area of WQA's website, wqa.org

** Must be ordered on-line through the WQA Store at wqa.org

† Indicates material also available for completion via Internet. Purchase through WQA store at wqa.org and complete online.

RECERTIFICATION MATERIALS WORTH 1.5 CPD

Business Ethics for the Water Quality Industry Individual Workbook

Based upon the *WQA Ethics Mystery Theater* video

Workbook/quiz Order No.E43a

Credit By Examination: Fee Varies

WQA Deionization Exam

WQA Disinfection Exam

WQA Reverse Osmosis/
Ultrafiltration Exam

WQA Water Filtration Exam

WQA Ozonation Exam

Ozone Review Quiz †

This mail-in review quiz is based upon WQA's Ozone Reference Manual.

Quiz Order No.E33a

Water Treatment Fundamentals Course Review Quiz

This mail-in review quiz is based upon WQA's *Water Treatment Fundamentals* textbook. Order No.E3a

RECERTIFICATION MATERIALS WORTH 1.25 CPD

Deionization Basics Review Quiz †

Review quiz based upon WQA's *Deionization Basics* text book.

Quiz Order No.E5a

Disinfection and Sanitation of Water Treatment Equipment Review Quiz †

Review quiz based upon WQA's *Guidelines for Disinfection and Sanitation of Water Treatment Equipment* textbook.

Quiz Order No.E2a

Installer's Course Review Quiz †

Review quiz based upon WQA's *Installer's Home Study Course* textbook.

Quiz Order No.E13a

RECERTIFICATION MATERIALS WORTH 1.0 CPD

Basic Water Softening Video Workbook

Individual review workbook based upon the video. Order No.E17b

Cation Resin Technology Video Workbook

Individual review workbook based upon the video. Order No.E22b

Distillation: Process & Technology Review Quiz †

Review quiz based upon the *Distillation: Process and Technology* study guide.

Quiz Order No.E31a

Distillation Video Review Workbook †

Individual review workbook based upon the video. Order No.E4b

Plumbing Self-Study Courses

(1.0 CPD per course)

These convenient self-study courses are recommended as basic study sources for all installers. Non-WQA publisher.

Courses available:

Member/Nonmember \$54.00 each

Introduction to Pipe &

Plumbing Systems Order No. E26

Introduction to Fittings Order No. E27

Introduction to Valves Order No. E28

Pipe Joining Methods Order No. E29

Domestic Water Well Pumps Order No. E30

Reverse Osmosis Video Review Quiz †

Review quiz based upon the *Reverse Osmosis: Understanding The Fundamentals* video.

Quiz Order No.E16c

RECERTIFICATION MATERIALS WORTH 0.5 CPD

Basic Water Chemistry ** †

This course begins with an overview of atoms and molecules and progresses through the concepts of ions and pH to water conductivity, purity and contaminant units of measure. Includes a 26-question quiz.

Ion Exchange: Softening and Basic Deionization ** †

The principles behind ion exchange are explained with an emphasis on softening and the basic concepts of deionization. Includes a 25-question final quiz.

WQA QuickCourses™

(0.5 CPD per course)

Courses based upon a short informational source such as a WQA convention paper or technical paper. Each course includes a review quiz which must be completed and returned to WQA for grading.

Quick Courses available:

Corrosion & Soft Water Order No. E25

How to Design a Residential

Water Treatment System Order No. E42

Ion Exchange Resins Order No. E35

Microorganisms In Water Order No. E24

Sensor-based Controls for

Water Softeners Order No. E36

State Licensing Exams,

e.g. plumbing licenses

Submit proof of completion to WQA

Water Quality 101 Workbook and Review Quiz

Individual workbook/quiz based upon the video.

Workbook/quiz Order No.E9a

RECERTIFICATION MATERIALS WORTH 0.1 CPD

Trade Press Recertification Review Quizzes †

A cooperative project between WQA, *Water Conditioning & Purification Magazine*, and *Water Technology* magazine. Each magazine publishes three quizzes per year (six quizzes total), based upon articles published in the magazines. Pullout answer cards are inserted in the magazines. Return the answer card to WQA for grading.

Quizzes can also be completed on-line in the WQA Store at www.wqa.org
