WQA's Leadership Engagement And Development (LEAD) program develops advanced leadership skills while forging deeper engagement and participation within the WQA and broader industry. In three years, the impact of RISE, THRIVE, and WIN has spread to provide tangible solutions to members, including young professionals and women in the industry to build their networks by harnessing the power of networking, mentoring and education. To help LEAD grow, we need your support.

LEAD Goals:

- LEAD Scholarship to attend WQA's Convention & Exposition or Mid-Year Leadership Conference
- WQA Mentorship Program materials
- LEAD Program materials
- Outside speakers
- 360 reviews (*ex. Center for Creative Leadership*)

More reasons to become a LEAD supporter & advocate:

- Brand association with supporting young professionals, women in industry, a welcoming environment, and the broader water treatment industry
- Relationship building for your company as a forward-thinking organization

LEAD SUPPORTER \$500

Use of LEAD logo for duration of sponsorship. Your logo will be placed prominently on the LEAD webpage (<http://www.wqa.org/lead>)

LEAD ADVOCATE \$2500

Recognition as a LEAD advocate, including, but are not limited to:

- LEAD webinar series - four webinars in series, open to all members
- LEAD education session hosted at WQA's Convention and Mid-Year Leadership Conference

Customize: Please call us to help build your LEAD ADVOCATE package to fit your goals.
